Dear Parents/Guardians,

During the course of the 2013-2014 school year there will be support groups offered to the students of Millville Senior High School. The focus of these groups will be on promoting positive self-esteem and decision making skills as well as the exploration of issues that are of concern to the students such as peer pressure, relationships and chemical dependency. The group will provide a safe and confidential setting to share concerns.

The referral to group may come from parents, teachers or students themselves. The group will run for eight weeks and the meetings will be held at school during the school day. If you do not want your child to participate in a support group, please contact me at 327-6064.

Sincerely,

Keiko Warner
Student Assistance Coordinator
